
Tom,
Even if you were always playing with all of the cupcakes in Oregon you were still nice. I'm just sorry that your hair is a mess. I guess it's better than having to go two years to go. Have fun. April

Tom,
Well, I'm sure was fun discussing Mike with you in Geometry. I sure did find out a lot about him from you. Since we've both survived 8th period with Schwad all I can say is have a great summer!

Members of 1969-70 A.S.B. were presented to the students in a rally held during the last weeks of school.

Dee Dee Rhea Reigned Coed and Final Rally Ended Year

Provided by the seniors at the Final Rally were musical entertainment and satirical sketches of school events which took place during the year. Girls' League representatives elected the six finalists.

Later, ballots were cast in Girl's P.E. classes that determined Coed of the Year.

Dee Dee Rhea, popular and vivacious senior, was selected Coed of the Year over five other girls.

Seniors Took Part in New and Traditional Activities

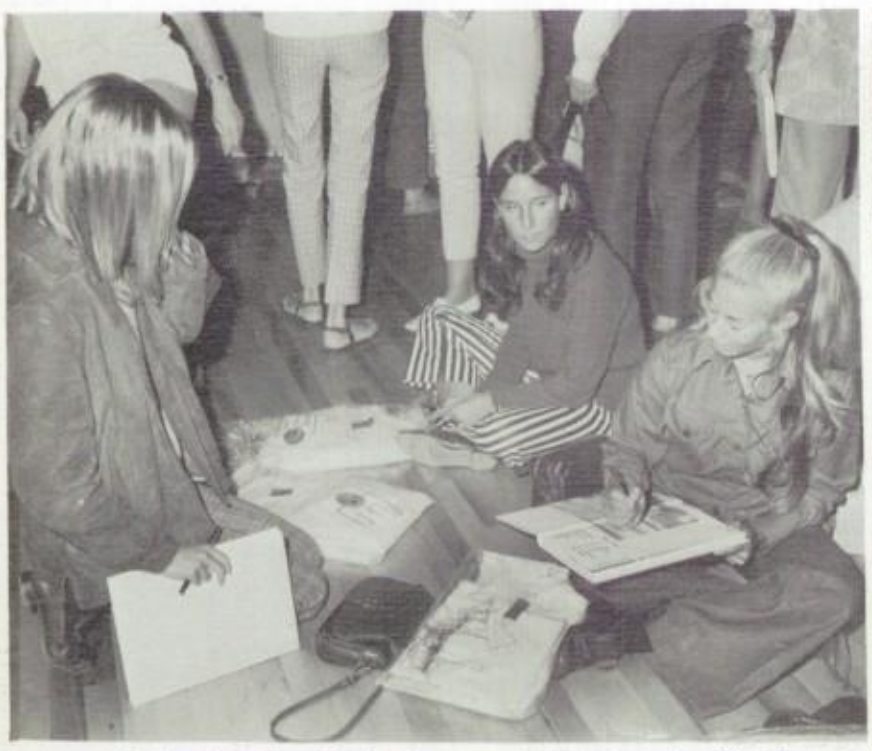
As the 1969 school year drew to a close, Seniors focused their attention on final end-of-the-year activities. Heading the list was the Senior Class musical "The Boyfriend," presented April 22, 23 and 24 in the auditorium. Stamped a big success, the play exemplified the worthy efforts of talented senior actors and actresses who diligently studied and rehearsed for each performance.

May 15 found Seniors enjoying their "Senior Day" aboard the harbor excursion boat *The Marrietta*. Chairmen Sherri McCormack and Jeff Cava saw to it that there was plenty of donuts and punch for all. The cruise lasted from 6:00 to 9:00 p.m.

The Annual Signing Party held on June 6 in the gym, gave Seniors a chance to obtain autographs from their friends. Students picked up their caps and gowns at this time.

Outstanding students were honored at the Senior Awards Assembly in the fields of academic achievement and school service. Awards were presented on June 16, from 7:30-9:00 p.m.

Sue Novak organized the Senior Picnic at El Monte Park on Saturday June 14, from 1:00 to 7:00 p.m. Students were asked to pack their own sack lunch, but the drinks and the dessert were furnished free. The afternoon was spent playing games, listening to popular band music, and in general, just enjoying the company of soon-to-be-departing friends.



As the last day of school approached, seniors sign friend's annuals, talk about the fun they have had, and say "good-bye" for the last time.

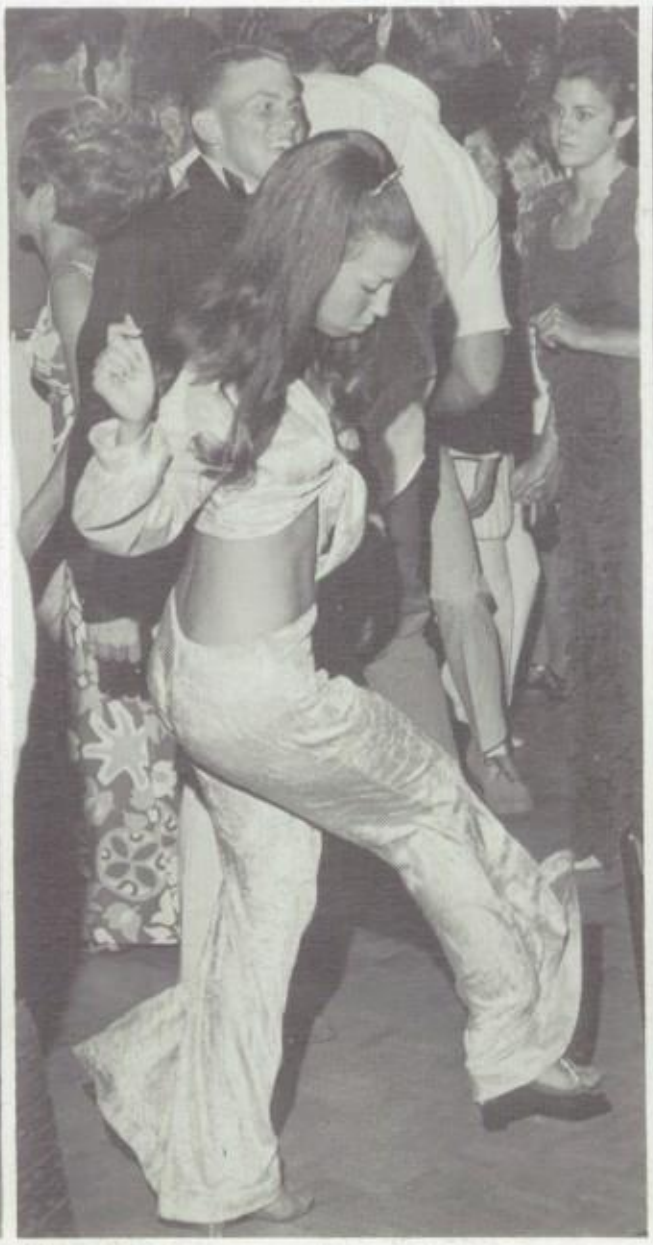
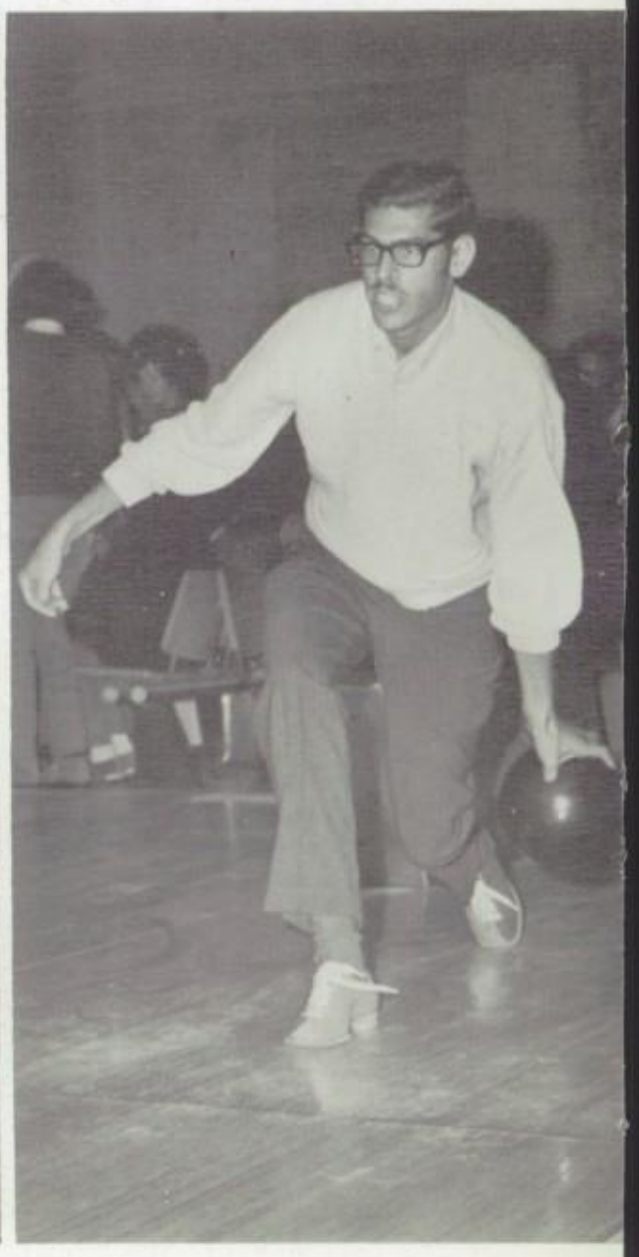
Highlights of the Senior activities included the Senior Prom "Camelot" held on June 6, at the Community Concourse and the After-Prom held at Clairemont Bowl. Chairman Jeannie Kopecky arranged to have Danny Hale's Orchestra provide the entertainment at the Prom. The setting and mood of the After-Prom was more relaxed, as Seniors danced to the beat of Mr. Clean and His Group. The evening's activities consisted of bowling, playing pool, dancing, and reminiscing with friends.

Final commencement exercises were held on June 19, at the Aztec Bowl at San Diego State College. When the diplomas were finally in the hands of the graduating Seniors, the Class of 1969 could briefly look back over thirteen years of school and feel a deep sense of pride and accomplishment before again turning their thoughts to the future.

"Camelot" Highlighted Social Scene While After-Prom Provided Climax for an Entertaining Fun-Filled Evening

The 1969 Senior Prom, "Camelot," brought out over 500 couples in their formal attire. The after-prom at the Clairemont Bowl Quad Room, provided an opportunity to loosen up and enjoy themselves in an informal atmosphere. The After-Prom Committee, did an outstanding job of planning the activity.





During the Senior Prom, approximately fifteen of the boys were outfitted in top hats, tails and carried canes. They are pictured above as they join their dates in a lively polka.

Couples at the after-prom enjoy a game of pool.

The after-prom held at the Clairemont Bowl was one of many highlights of the activities. Seniors danced to the beat of Mr. Clean and His Group, and enjoyed eating.

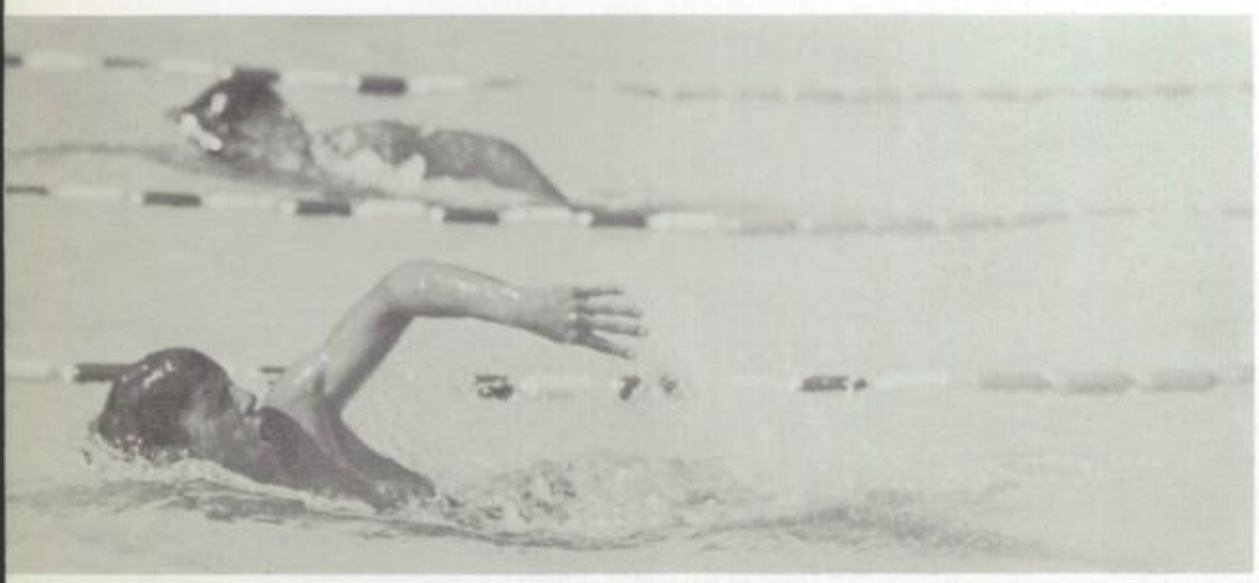
Eastern League and C.I.F. Honors Highlighted First

Colts rejoiced over the fantastic season experienced by the Varsity and Junior Varsity swimming teams. The combined efforts of both teams, under the coaching of Mr. Richard Draz, earned Crawford its best swimming record. Due to performances from such competent swimmers as second time High School All-American Mike Stamm and teammates Tom Smith, Chuck York, John Ace, Greg Ormsby, John Weaver, and Louis Alfeld, Colts proudly claimed the league championship, a 10-0 dual meet record, top honors in the C.I.F. Finals, first place in both the National City Relays and the San Diego Invitational, and runners-up in the Vista Relays.



Larry Herrmann, bottom left, is barely visible after completing a difficult dive, while Ed Huff, bottom right, catches a quick breath as he lifts up while doing the butterfly stroke. Determination and ambition drove the Crawford tennis team to a 12-0 league championship and the hard-fought-for C.I.F. title, the result of a fantastic 21-0 seasonal record. Under the direction of Coach James Sams, players' Ted Teacher, Bernie Feldman, and David Whitehead demonstrated special abilities which pushed the team all the way to the top. Ted led the team in total points earned with 50½ out of a possible 52 points; Bernie attained 46¾ out of 56; and David achieved 50½ out of 60 possible points. Marc Kobernick served as team captain. The twenty-three member team included fourteen lettermen, whose strength and impressive record fortified the Colt effort and inspired the underclass players to press on to victory. A 13-10 year was not the kind of baseball season one can brag about. Due to the Junior Varsity team's poor batting average of .201 and their inability to make the routine defensive plays, the team lost four one-run games — two by two runs and one each by three and four runs. The excellent pitching of Ron Roche and Glenn Marshall allowed an average of only 1.40 earned runs per game. Under the coaching of Mr. Jerry Tooze, the players themselves showed great individual improvement and look forward to a more prosperous season in 1970.

Featured events at the Ball included the presentation of Senior Class rings and the selection of a queen. Change was very much an element of controversy on the American scene during 1969. This element, whether good or bad, has been evident at Will C. Crawford High School. The building of Patrick Henry High School reduced the sophomore and junior classes by four-hundred students each. Parking lots appeared where bungalows once were. New administrators and faculty members brought ideas and changes to Crawford in 1968-69. The liberalization of the dress code had a dramatic impact on both the students and faculty. Organizations such as Umojo, the black student information club, and Our G.A.N.G., a girls' athletic club, were formed for the first time this year. A pumpkin carving contest and an Easter egg hunt were new activities introduced this year.

Athletic events, school dances, lunch-time movies, and class parties were poorly attended. Allegations of "lack of school spirit," "lack of interest," and "student apathy" were made and refuted daily. Whether these charges were accurate depended upon one's own expectations, motivations, and involvement, but it was an unbelieving and disappointed student body that learned there would not be a nominating convention due primarily to lack of qualified candidates.

In this scene, the 1969 CENTAUR staff presents "REFLECTIONS OF CHANGE."

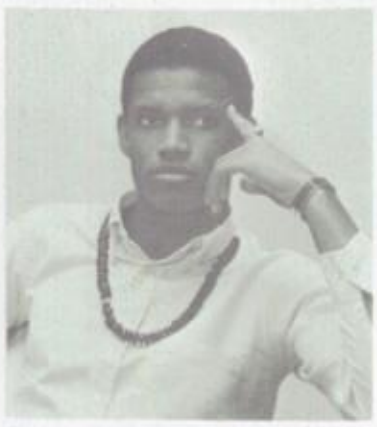
As 1968-69's President of the Associated Student Body, Phil Steele presides over all A.S.B. meetings. He also pushes for more liberal campus programs and policies for this and coming years.



Jim Johnson, A.S.B. Vice President, takes on the responsibility of leading the quarterly Senate meetings as presiding officer.

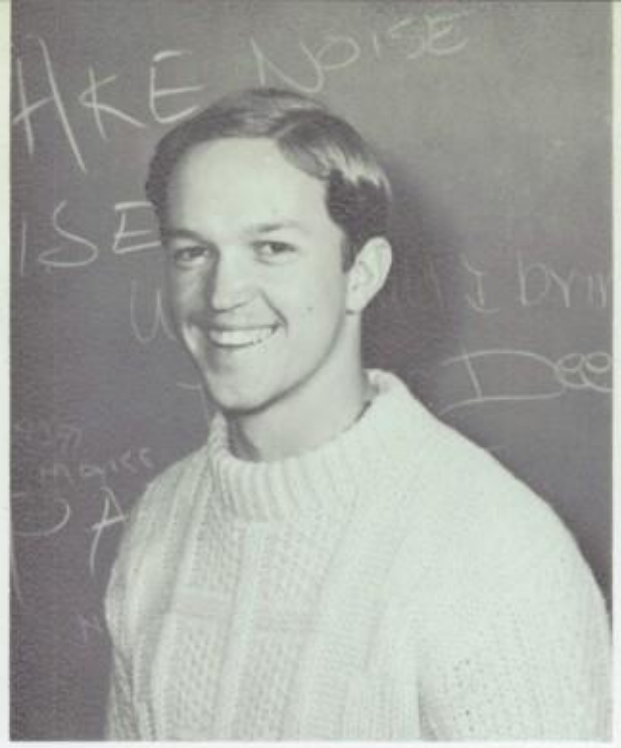
Enthusiastic ASBers

As Advisor, Richard Medenwald, supervises all Associated Student Body meetings and recommends many possible activities.

Cheryl Crawford, Commissioner of Girls' Activities, and John Kitchell, Commissioner of Boys' Activities, are active and important members of the A.S.B. as they keep their groups on the go.

Sheri Meinert, Commissioner of Finance must prepare the 1969-70 budget and also record the schools spendings and earnings.

Dee Dee Rhea, Commissioner of Student Affairs, has general control over all student activities, while

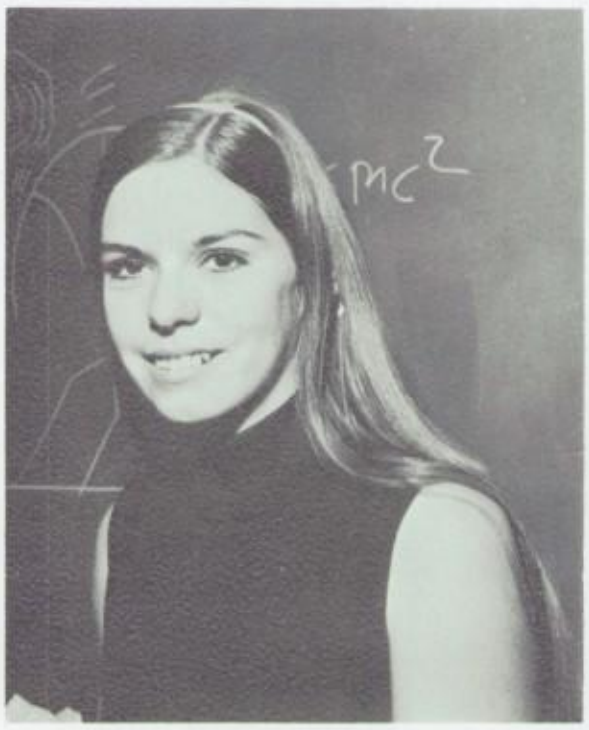


Kirk Kiloh, Commissioner of Athletics, manages various aspects for Crawford teams. Commissioner of

Rallies and Assemblies, Nancy Darby takes charge of the spirit and enthusiasm that goes into rallies.

Tried to Give Students Bigger and Better Activities

Associated Student Body Commissioners, advised by Mr. Richard Medenwald, led their committees in an endeavor to find new student body activities. They represented Crawford at city-wide meetings with other high schools to promote such things as an open campus and more off campus dances. The commissioners made it possible for the traditional Crawford Colt to be accompanied by a flowery filly. Their activities included the sponsoring of the homeroom decoration contest, held during Homecoming Week and a pumpkin carving contest, held for the first time. The commissioners worked hard to better every phase of school and to increase the level of student awareness.



As the Commissioner of Campus and Traditions, Patti Doud's primary job is to start clean campus drives.

Commissioner of Elections, Karen Smith, makes sure the nominating convention runs smoothly and effi-

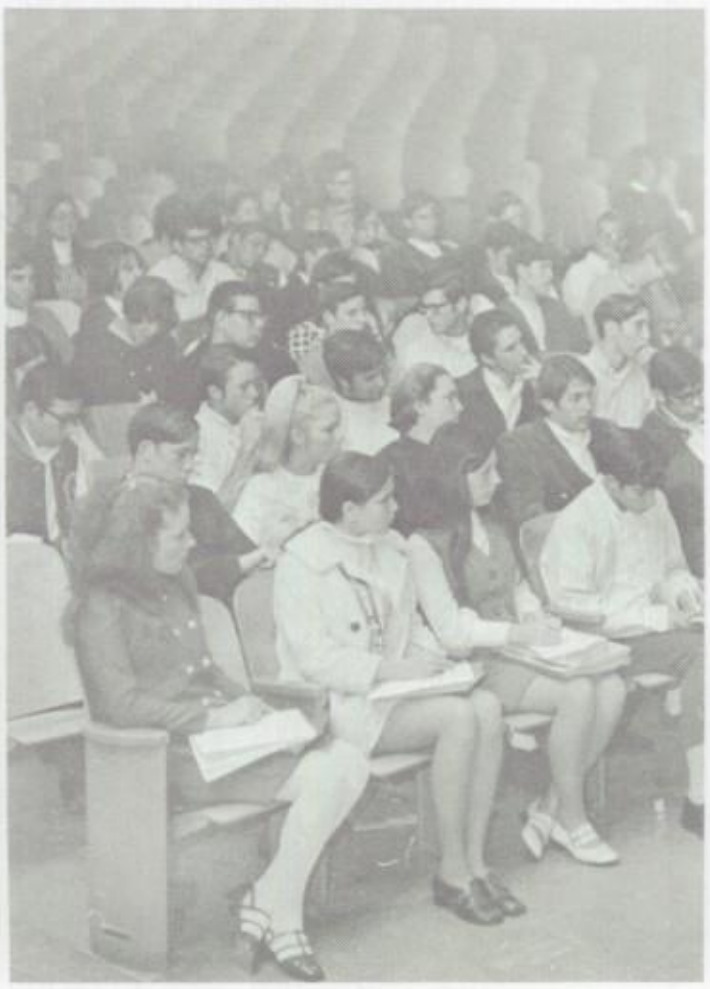
ciently. Vince Massulo, Commissioner of publications, makes sure that A.S.B. has necessary ads & posters.

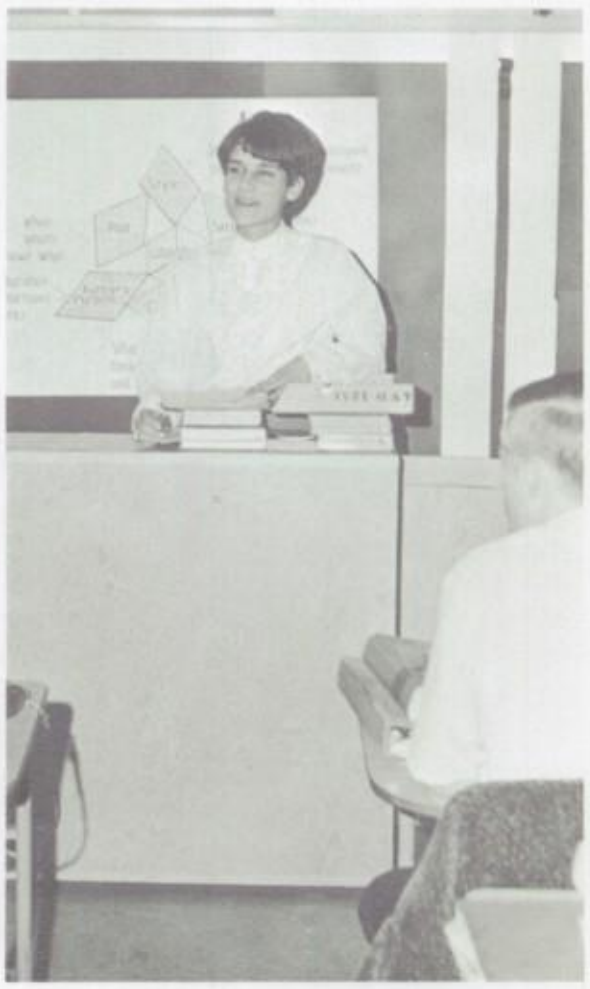
A.S.B. on the Go as Senators Led Government, Clerks

A new system was introduced that allowed each senator to cast as many votes as there were students in the class he represented. Senators previously had one vote for every fifteen classmates. Another new provision declared that non-budget purchases exceeding two hundred dollars must be Senate approved.

The work of the Council of Commissioners was executed by students. These tasks came under the management of ticket auditors and clerks. Ticket auditors were in charge of selling tickets and settling accounts during the lunch periods. Tickets were sold for all A.S.B., athletic, and club activities. Ned Himmel, Cheryl Rubin, and Gayle Armour assumed the responsibilties of this position.

Clerks performed secretarial duties for the A.S.B. Council. Taking the minutes during meetings and carrying on correspondence between schools required the attention of Susan Brook, Penny Gorin, and Cheryl Flor.

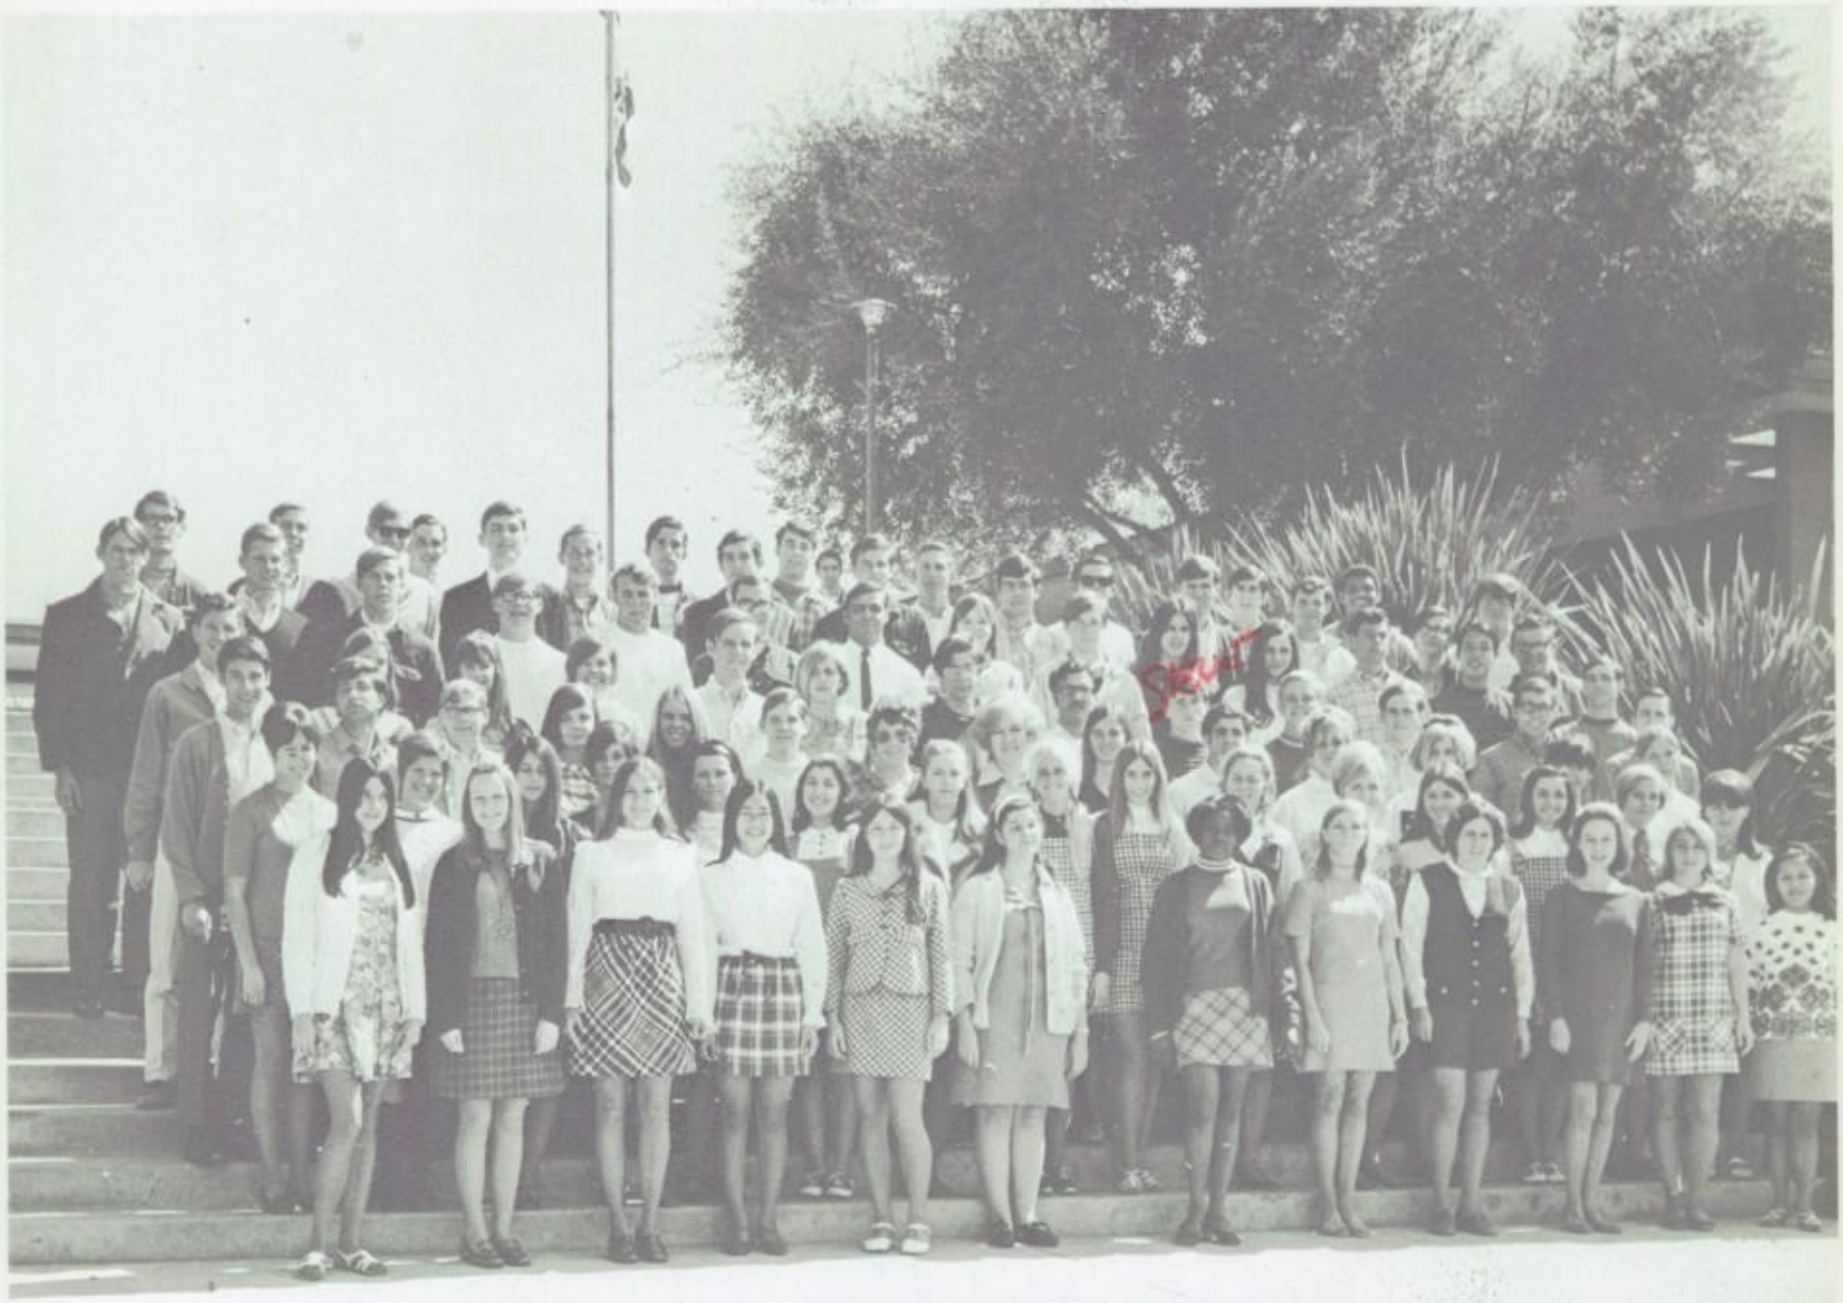




Jim Johnson, above, presides over a quarterly senate meeting. As A.S.B. Vice President, this is his main duty. Senators listen to various issues and make decisions such as those concerning the problems of the writing on walls around the school. Reporting information to her English class is Linda Moseley.

Ned Himmel, Cheryl Rubin, and Gail Armour, our A.S.B. Ticket Auditors, work in the financial office handling money matters for all student body activities. The A.S.B. Clerks this year are Cheryl Flor, Penny Gorin, and Susan Brock. They take care of the secretarial work such as correspondence and minutes.

Performed Secretarial Duties, Auditors Handled Finances



Varied Senate functions are under the direction of A.S.B. Vice President Jim Johnson. A primary task of the senators is to report on suggestions made by classmates. Senators must also vote on large unbudgeted appropriations. An important appropriation carried this year was the one concerning porta-pits.

A week-long A.S.B. activity is Homecoming, the last event being the football game. A pre-game activity is the Annual Caravan of Floats. Sherrie Flynn, Caravan Chairman, and cheerleaders admire the trophy awarded to the first place float. The winner was the Junior class, whose theme was "Color Us Spirited."

The officers who led the Girls' League Organization to a bigger and better year are Cheryl Crawford, Pres.;

Renetta Williamson, Vice Pres.; Jan Edwards, Secretary; Chris Walker, Treasurer; Mrs. Elizabeth Davis, Advisor.

Mixing Fun With Service Projects, Student Oriented Girls'

The Girls' League Cabinet is a group of the most active girls on campus. During the year each girl is given the responsibility of being a chairman for one project sponsored by the Girls' League.

The primary desire of Girls' League was to better relations between Crawford girls. In addition to sponsoring the Sophomore Tea for incoming coeds, the club planned a Dad 'n Daughter Banquet and a Mother-Daughter Tea. April a la Mode, a girl-ask-boy dance, highlighted the spring semester.

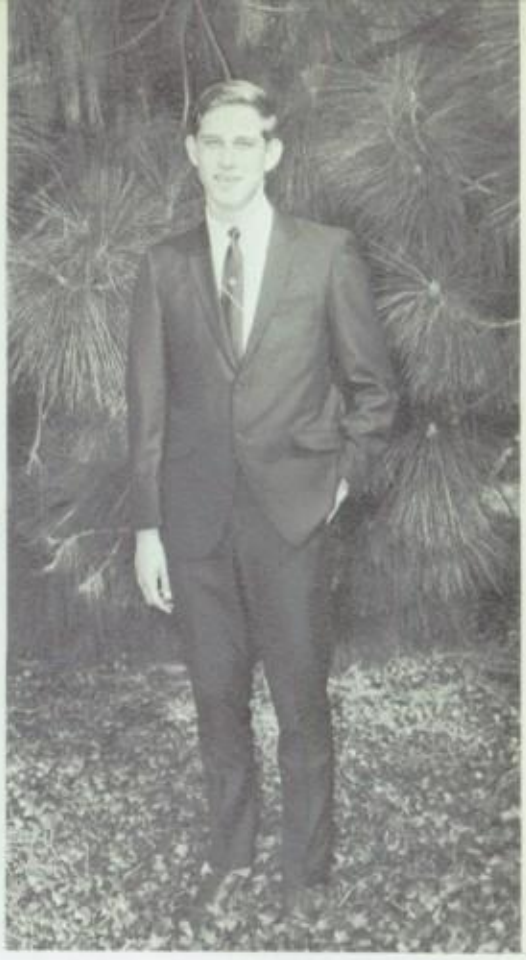
Boys' Federation began an active year with a car show. Money-making projects, including a snow cone and candy cane sale, yielded both profit and pleasure. A pie eating contest added fun to the Senior Class Party and a clean campus drive helped beautify the campus.

Girls' League representatives do their job by electing Girl of the Month and helping with service projects.

Elected by their classmates, representatives voice suggestions and complaints brought up in their gym classes. The representatives then return with pertinent information on projects and social activities.

ed many teachers, most girls welcome the newly initiated change.

The 1968-69 officers who enabled Boys' Federation to have an active school year are John Kitchell, President; Rick Pfleeger, Secretary; Dick Park, Vice President; Dr. Leonard Sherr, Advisor; and Gene Kreiser, Treasurer.



League and Boys' Federation Were Assured a Good Year

The election process of representatives for Boys' Fed. council is the same as that of Girl's League. They, too, report to their gym classes on such things as forthcoming activities and dress regulations. An essential part of the Boys' Federation Council is to encourage participation in all activities on campus.

Boys' Federation cools off Colts, and at the same time raises money by sponsoring a snow cone sale after school.

This year's cabinet is trying to make the Boys' Federation a more active organization. They are accomplishing their goal by sponsoring both service and money-making projects.

Industrious Colts on Rallies, Elections and Publications

Commissioner Nancy Darby led the Rallies and Assemblies Committee in the promotion of school spirit and the organization of rallies. Colts filled the gymnasium bleachers to cheer for a victory in the upcoming athletic event.

The Elections Committee headed by Karen Smith correlated and conducted the cheerleader elections, the sophomore elections, and the final A.S.B. Nominating Convention.

Publications of A.S.B. events required the attention of the Publications Committee. These events included athletic and social activities. Publications Commissioner Vince Massulo worked with the committee to decorate bulletin boards and help with rally banners.

Rallies and Assemblies commissioner Nancy Darby helps her committee promote spirit for Crawford's year-round rallies, beginning with football and ending with swimming.

Students stomp and cheer at mid-season football rally while Nancy Darby, atop the Crawford mascot, is head instigator of Colt spirit.

Committees Produced Spirit, Confetti, and Posters

With Elections Commissioner Karen Smith in charge, the elections committee takes care of the varied votings held all year at Crawford. One of their first responsibilities is to conduct sophomore elections. Later the committee works with cheerleader selections and finally the nominating convention.

Because Crawford had no nominating convention this year the 68-69 Elections Committee had little to do. Shown are senior elections held in May 1968. The Publications Committee assumes the job of advertising for the A.S.B. Ball by setting up a pyramid of boxes. Nevertheless, attendance was moderate.

Headed by Commissioner Vince Massulo, the publications committee covers publicity for all A.S.B. events. They make banners for rallies and games, advertise up-coming events and make sure bulletin boards are up to date. Different advertising techniques include using radio and television announcements.

Inter-Club Council, Campus - Traditions, & Student Affairs

Sparking much student interest, Dee Dee Rhea, Commissioner of Student Affairs, has turned out many talented Colts for the traditionally small Student Affairs Committee. Having so many eager and artistic workers, the committee works on such activities as Orientation, Club week and A.S.B. Ball decorations.

By organizing Orientation Week and Club Week the Student Affairs Committee helped Crawford start the year. Sparked by the enthusiasm of their leader, Dee Dee Rhea, the committee initiated a pumpkin-carving contest. As a final project the committee made "In a Gadda Da Vida" decorations carrying out the A.S.B. Ball theme.

Dee Dee Rhea also guided and inspired creative ideas for the Inter Club Council. Composed of a representative from each club, the council handled many Colt activities. They began the season by heading homecoming and the Caravan of Floats. At Christmas the council sold mistletoe to raise money. A new activity this year was holding a carnival at a mid-year dance. To add to its success each club was in charge of a booth.

Directed by Patty Doud, the Campus and Traditions committee compiled the Historian's notebook and tried to keep traditions up-dated. Other projects were various clean campus drives throughout the year.

The Inter-Club Council is comprised of a representative from each Crawford Club and President Dee Dee Rhea. The club sponsors Homecoming, the Caravan of Floats, and a mistletoe sale. A new activity the I.C.C. has initiated is a carnival held at a mid-year dance, where every club member puts up a booth.

Led Pumpkin Carving, Clean Campus, & Orientation Week

One of the new activities sponsored by the Student Affairs Committee is the Easter Egg hunt which was held before spring vacation. The pumpkin carving contest is led by the Inter-Club Council at Halloween. The Campus and Traditions Committee is keeping busy drawing posters for Clean Campus Week.

Campus and Traditions Committee is composed of a small number of girls and led by President Patti Doud. Among the programs initiated by the Campus and Traditions Committee are clean campus drives and trashcan-painting campaigns. The committee also compiles the A.S.B. yearly Historian notebook.

"Change" Was 1969 Centaur Staff Theme. Innovations Included Underclass Pictures and a Summer Supplement

Staff Photographers Leon Loew and George Garrison, with the help of their assistant Robert Long, are necessary components to the success of the '69 CENTAUR.

Necessary to the CENTAUR completion are Dia Roemmich, Editor-in-Chief; Francis Linderman, Advisor; Angela Mishoe, Photo Editor; Nancy Dittmann, Copy Editor.

Several of CENTAUR Editors are Helen Levenetz and Tamara Toolson, Underclass; Leslie Ma, Administration; and Claudia Borsen, Organizations.

The members of the Centaur Staff, editors, assistants, and photographers work hard designing layouts, scheduling and taking pictures, and trying to meet deadlines.

Under the supervision of Dia Roemmich, editor-in-chief, and Mr. Francis Linderman, advisor, the Centaur Staff worked diligently to capture in words and pictures the spirit of every aspect of student life. A summer supplement was added to present end-of-the-year activities. When the yearbook was finally in the possession of the student body, the staff experienced a deep sense of accomplishment and relief.

As A.S.B. Editor, Helena Karpenko works at producing a factual section. Pat Donahue, Sports Editor, compiles games, meets, and matches information while Sharon Whitley, Activities Editor, creates the Colts "happenings" section.

Karen Rifenberick, Activities; Patty Halfaker, A.S.B.; Barbara Dzialowy, Copy; Frank Collins, Sports; Debbie Snyder, Organizations; and Debbie Miller, Administration, are assistants working under different CENTAUR Editors.

Janet Gitterman, Jill Welch, Kathy McPherson, and Martha Butler are the girls responsible for compiling all senior information, such as senior write-ups and senior portraits. For this year's Centaur they will be including a senior index.

With Mr. Bill Rieker supervising and John Pound drawing, Mark Weissman Editor-in-Chief works with other members toward the bi-weekly Pacer completion. Other staff members include Barbara Leimbach, Editorial Editor; Randy Peskin, Editorial Assistant; Adrianne Farkas, News Editor; and Jim Hance, News Assistant.

Pacer Staff Gave Colts a Chance to "Tell it Like it is" by

White and Peggy Deardurff are the Advertising Managers this year with Jill Zimmerman assisting them.

Encouraging Student Participation in Editorial Sections

Filling the pages of Crawford's biweekly newspaper with interesting school news coverage, consumed the energy of the *Pacer* staff. The members worked under the direction of Mr. Bill Rieker and editor-in-chief, Mark Wiessmann. The *Pacer* gave students the opportunity to express their opinions on controversial topics. Up-to-date accounts of the latest school happenings were presented in each issue.

The Pacer Feature section is edited by Jeanette Redlich and her assistant Judy Goodbody. Assisted by

George Lewis, Mike Kuner, Sports Editor, takes care of reporting Crawford athletic events from September to June. Working as the staff's Business Manager is Carol Bessette, and helping her is Angie Timpa.

Following the popular trend of "Laugh-In," the Sophomores sponsored a Walnetto sale on April 10 and 11 . . ."What's a Walnetto?" A class party held on May 23rd in the school gym, concluded the year's festivities.

Junior Class Through Exciting Year

Active Juniors were led through an interesting year by Joel Stern, president; Randy Naiman, vice president; Terri Fong, secretary; and Leslie Ma, treasurer. Officers and members worked together to promote fund-raising activities. Among these were the movies, "The Hustler" and "Our Man Flint." Concessions, led by Marsi Silverman, also brought in extra money at the basketball games. Marking a turning point in the school life of all Juniors was the selection of the Senior Class ring under the direction of Kim Dinnerstein and Helen Levenetz. Breaking with tradition, Juniors were allowed a choice of style and stone color. A gold ring with a blue, black, or white stone, or a silver ring with a blue stone could be ordered. Under the supervision of Bonnie Miner and Linda Blake, the Junior Ball held on May 2 was a big success. The theme, "Some Enchanted Evening," properly lived up to its name and the distribution of the Senior rings brought an exciting climax to the junior year.

Randy Naiman as Junior Class Vice President works hard to turn the Cabinet's ideas into actualities.

Terri Fong, right, takes minutes at all meetings and keeps members of the board notified of current activities as Secretary. Treasurer Leslie Ma records income and outgo of funds to balance Junior budget.

President Joel Stern's job is to organize and produce a variety of activities for Juniors to enjoy.

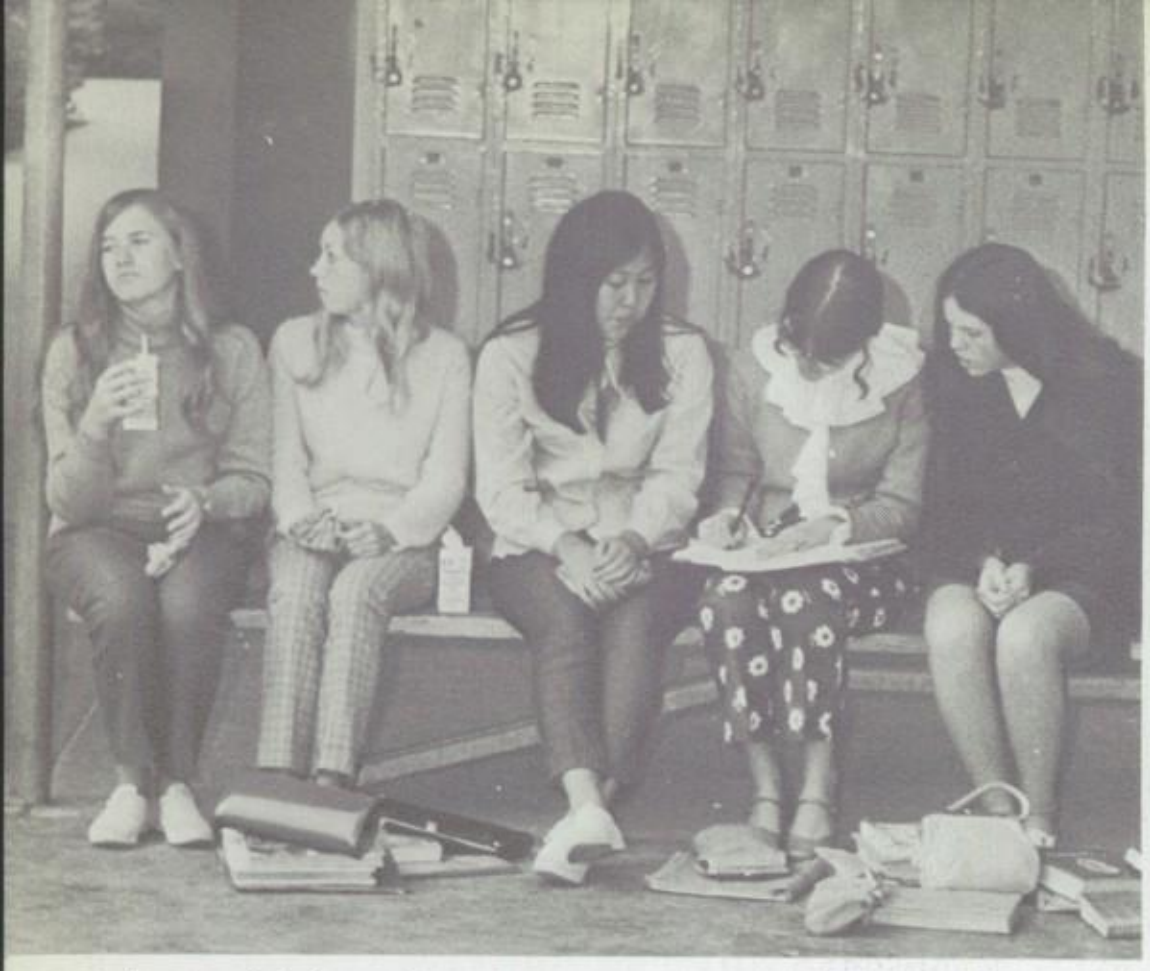
Juniors are traditionally in charge of selling concessions at Crawford's home basketball games. This project to raise money for the Junior Treasury is organized by the Ways and Means Chairman. Members of the committee work hard most of the time, right, but sometimes they relax during a quiet spell.



A routine school day provides an almost endless number of occasions when students can get together and chat. Lunch is a favorite time for sharing tales of persecution by teachers and administrators. At far left some Crawford girls relax as they eat lunch on a Crawford "Pants Day." Second from left, girls meet

The AFS pin represents the American Field Service program.

San Diego has become for me my second home and with all my friends here, it will be an unforgettable place. I want to thank all of you, especially my wonderful family, who made possible my stay in the United States. I have learned so much about you. I do hope, too, you have learned that it is possible to become friends, though we are from different parts of the world, simply because we all are human beings first. I really hope an "Auf Wiedersehen" —till we meet again—will become a reality one day.

Karen Gimpel and Fernand Weisenfeld experience American food at the cafeteria.

Wiesenfeld, Joined Colts For a Year of Learning

The year I spent in San Diego will always remain in my memory as one of the most exciting and wonderful of my life. Living with the marvelous Freedman family, I found myself very busy with activities that centered around trips, parties, speeches, visits, and *American girls*. Meeting a lot of people and making many new friends taught me a lot about life, human beings, and the United States. Here I would like to thank all of you at Crawford from the bottom of my heart, who gave me so much joy and so many memories.

AFS members sell "Snickers" candy bars to Fernand and Karen to raise money for bonds.

A.F.S. Student Amy Plaut Experienced a Year in Japan

Amy Plaut, American Abroad to Japan, returns to Crawford High School after a year's study in Tokyo.

Japan . . . do you have a vision of tea-houses, still Japanese gardens, and beautiful girls in kimonos? What of crowded subways, rows of small stores, squeezed in-between two-story wooden homes, and fifty girls bowing in respect to the teacher? I never dreamed that so many different foreign customs would become my natural way of life in so short a time. At first, life was like a game, trying to apply each new word I learned, remembering not to wear my shoes in the house, knowing when to bow, learning how to handle chopsticks, and floating on a current of Japanese that I couldn't understand at all. I completed a cycle of school activities, learning everyday how to better express myself in Japanese. Haru no Sakura, the cherry blossoms of the spring bloomed at my Japanese graduation. It was not until I returned to America that I could look on this experience with perspective. Thank you for the privilege of being Crawford's A.F.S. student abroad.

During an AFS meeting, Amy Plaut describes the wonderful experience shared with the Iwanoto Family in Tokyo, Japan. Amy stayed with the host family from March, 1968, through April, 1969.

Rumbling feet shook the bleachers at the first rally of the year, as students followed their peppy song and cheerleaders in fast-moving renditions of "Victory, victory, is our cry" and "We Got Soul!" Crawford dancers rock to the rhythm of one of the top bands featured at the after game dances, held traditionally after all home games. The dances, presented from 10-12, give students a chance to socialize with friends and enable them to discuss the night's game performance in a relaxed atmosphere.

One of the main attractions to Crawford Colts is a quad rally, where song and cheerleaders perform with the pep band. Various skits are also shown, and participation in cheers is one of main encouragements. Peppy songs played by pep band help to strengthen the Colt spirit and add variety to rallies.

Cheerleaders inspired student participation at all football and basketball games, including rallies and assemblies, by encouraging Colts to support their team with an enthusiastic display of loyalty. Chosen from among many eminent contestants to carry out the goal of inciting school spirit were Tom LaNier, Rick de la Torre, Dave Kaplan, Gail Craumer, and Tally Stiles. Their success in reaching that goal depended upon the attitudes and willingness of the student body to respond to their sincere organized efforts.

Songleaders bounced to the beat of peppy band music as they prompted onlookers to bolster team spirit by chanting vociferous and rhythmical victory slogans. In the event of a Colt touchdown, both song and cheerleaders rushed to the goalposts to bow down and hail the successful team effort. Led by Dianne Beighley, the songleaders consisted of Chris Quinn, Lynne Dell'Acqua, Debbie White, and Robin Rust. The girls met regularly during the summer and throughout the school year to learn and perfect new routines.

Charm, ingenuity, and a touch of femininity were added to games and rallies as a precocious little filly made the scene along side of the traditional Colt mascot. Against a background of lively band music and victory cheers, the two mascots entertained spectators with their whimsical antics and comical routines. Dick Park and Van Rainey gave personality to the spunky Colt. The Filly was headed by Jan Edwards, with Holly Waters completing the red, white, and blue flowered mascot. Both the colt and his new found friend provided amusing skits that evoked laughter from the crowds at many athletic events.

Quarterback Rod Boone Selected Mr. Football; DeeDee Rhea and Tom La Nier Reigned as Mr. and Miss Pep

Rod Boone, a two-year letterman, was chosen Mr. Football by students voting during Homecoming Week. Alternating the position of quarterback and tailback, Rod earned their show of support by achieving an over-all rushing record of 527 yards gained, while scoring four touchdowns. Rod also played three years of Varsity baseball and basketball. Runners-up for the title were Bob Matthie, a two-year Varsity wrestling and football man, and halfback Tony Alfano, accredited with one year of football and two years of baseball. DeeDee Rhea, Commissioner of Student affairs, and Tom LaNier, head Cheerleader, were selected by Stir-up card holders to reign as Mr. and Miss Pep during the Homecoming Week. Spectators thrilled to the glamor and excitement of Homecoming Night, as they observed pre-game activities, beginning at 6:50 P.M., followed by a football game.

The pre-game parade was led by the Marching Colt Band, followed by the drill team. The Homecoming Queen Candidates and Attendants rode in the procession in open cars. Old and new song and cheerleaders made their entrance onto the field in the "pep" car.

This year's theme for the annual Caravan of Floats was "Memories Are Made of This." The Junior Class took top honors for the best float. The American Field Service float placed second and the Senior Class float placed third. Due to strong competition, much time and effort was devoted to the construction of each float.

A spectacular half-time routine was presented by the Pacer-ettes and the Marching Band. The high-light of the half-time celebration was the crowning of Terry Potter as Homecoming Queen 1968.

Rallies Created the Backbone of School Spirit As They Encouraged Student Participation At Games

School rallies were designed to encourage students to attend all football and baseball games, along with wrestling, swimming, tennis, and track meets. In charge of the rallies was Commissioner of Rallies and Assemblies Nancy Darby. The Orientation rally in September, the Homecoming rally in October, and the Spring Sports rally in March, were three of the more memorable events. Large brightly painted spirit posters, plus balloons and streamers, were used to decorate the gym during these special assemblies. Students were encouraged to participate not only by attending school functions, but by occasionally helping out with a skit or leading a cheer.

Performance in Capturing League and C.I.F. Laurels

Crawford extended its congratulations to the 1968-69 gymnastic team for its successful and spectacular year's performance. Colts continued their domination of the Eastern League, by winning their ninth consecutive Eastern League Championship. In addition, the team regained the San Diego Section C.I.F. Championship, which it had held for five of the six previous years. After finishing fourth in the Waterman Memorial Tournament, the gymnasts emerged undefeated in dual competition. Highlights of these dual meets were wins over Mission Bay, Kearny, and Madison. With seventeen lettermen working under the direction of Coach Jerry Tooze, outstanding members were Dick Park, John Kitchell, Dave Flint, Don Walker, and Skip Jacobsen. Strong Pre-season Was Capped by a Poor League Record

Based on a pre-season record, the 1968-69 Varsity basketball team was rated as a top contender for the C.I.F. playoffs. Unfortunately, the promising pre - season prediction found Crawford in poor league standing at the season's end. The Colt effort resulted in a 4-8 league record and a 17-11 seasonal score. The eleven lettermen, led by Rod Boone and coached by Mr. Jim Sams, did capture the El Centro Tournament Championship and consolation in the Kiwanis Tournament.

Rod Boone headed the varsity team in scoring with a total of 216 points in league play followed by John Price with 182 total points.

Rod Miller is fouled as he attempts to score against an aggressive Monte Vista player.

John Price (53) and Bill Grigg (11) stand ready for the rebound as Rod Boone out-maneuvers the defense and leaps for an attempted score. His efforts were futile as Saints nipped Crawford 56-53.

Persistent Wrestlers Posted Best Year in Competition

Wrestling is a sport displaying individual work and accomplishment. Conditioned through hard training periods and compelled by a strong team effort, the Crawford Varsity and Junior Varsity wrestlers had a very successful season. The Varsity team ranked second in Eastern League competition with a 4-2 record, while the J.V. team claimed first place in J.V. Eastern League with a 6-0 record. The seasonal scores stood at 8-4 Varsity, with an impressive 11-1 for the J.V.

Strongest Track Team Mounted Winning League Drive

History was made this year when Crawford's Varsity track team won its first Eastern League Championship under the coaching of Mr. Marshall Malcolm. This was due to hard work, a total team effort, and a little luck. The meet scheduled between the Colts and the Hornets was canceled due to a student walk-out at Lincoln. The meet was then forfeited to the Colts giving them a five win no loss record and the championship.

An overall record of eight wins and no losses was accredited to the drive and determination displayed by the Junior Varsity tracksters. Outstanding individuals were Kip Kao, consistent winner in the 220 and shotput; Richard La Forest and Cliff Smith, prospects for the Varsity 440; and Jose Rodriguez and Tom McClure, the nucleus for the 1970 pole vault contingent. The entire squad looks forward to another winning season.

Pre-Season Sparked Hopes for Baseball Team

Crawford Varsity baseball team won Eastern League, beating the top contenders, the Hoover Cardinals, and San Diego. Six of the team's fourteen lettermen returned from last year to form the nucleus of the 1969 team. Coach Bill Sandback looks forward to a second Colt C.I.F. victory.

Junior Varsity squad members under the coaching of Mr. Jerry Tooze did not fare as well as the Varsity. Having batting averages of .209 and a fielding record .890, the team had a 5 win, 8 loss record. Future Varsity hopefuls include Glenn Marshall, Ron Boche, Tom Hankla, Brad Blackman, and Dave Oaks.

The front row is composed of George McGraw, Gary Burnell, Bruce Altshuler, Mickey Aguirre, George Horman, Dan Gonzalez, and Mike Coronado. The back row includes Rick Lee, Chuck Lanners, Dave Hoppes, Rod Boone, Mike Tice, Greg Dunn, Jim Dunkel, and Varsity Coach William Sandback.

Team captain and three year letterman, Rod Boone asks Coach Bill Sandback about field conditions.

First baseman Dave Hoppes puts the tag on a Madison runner as he attempts to regain the bag. Although the runner was safe, Crawford easily beat the Warhawks, 16 to 0, during a game held on Crawford's field.

Packed with potential, the front row of the Junior Varsity includes Mark McLachlan, Richard Strackbein, David Woods, Paul Guzik, Tim Abbey, Martin Quincey, Gary Mancuso, Leonard Como, Glynn Curry, and Tom Hankla. These players are aided by teammates Coach Jerry Tooze, Larry Wood, David Crouch, Glen Marshall, Bill Pieratt, Ron Roche, Brad Blackman, Larry Moss, Tim Blackwell, and Dave Oaks. These players shall return for another year.

League Banner Climaxed Strenuous Schedule for Golfers

At the time the *Centaur* went to the press the Crawford golf team had skillfully achieved a 6-1 Eastern League record and the title. Out of the nine team members, four sophomores and one junior played regularly under the leadership of Coach John Ferguson and team captains Arnold Myers, and Aly Trompas. Arnold was low medalist firing a 37, 1 under par, in matches against San Diego and Point Loma. Aly played a low round of 65 against St. Augustine, highlighted by a hole in one. Future victories are inevitable, due to their strong potential and ability.

Shown in front are Fred Aquero, Aly Trompas, Arnold Myers, Steve Wietzen, and Al Myers. The back includes John Blackwell, Terry Koosed, George Needell, Marshall Raymer, Rick Thies, Coach Ferguson.

Intramurals Offered the Finest in Action, Ability, and

Crawford's intramural program endeavored to provide athletic competition for boys not participating in interscholastic programs, but who desired the opportunity to compete against other boys of comparable physical ability. Under the direction of Coach Jim Sam, Crawford's team fared extremely well in the extramural competition against other schools. The extramural program began with the basketball team, which placed third in city wide competition. The handball team, finished second in singles and first in doubles play. The volleyball team took fourth place and the track and physical fitness teams dominated first place.

Rod, also recognized as June's Athlete of the Month, lettered two years in football as quarterback and tailback; three years in basketball as forward and guard, and three years in baseball as pitcher and catcher. In addition, he served as captain of the football, basketball, and baseball teams. Rod was also bestowed the title of Mr. Football, as a result of a student vote taken during Homecoming Week. Rod's sights are set on a college education aimed at a medical career.

Shall lure it back to cancel half a line
Nor all thy tears wash out a word of it.

I would like to express my sincere appreciation to all those who have contributed their time, patience, and many diversified talents; especially,

The CENTAUR Staff who created the yearbook;

Tom,
I sure hope we will be in the same math class next year. It makes it much easier to stand when there are people like you around to make even geometry fun. Next year will be your senior year right? I hope you really enjoy it!

Dear Tom-Tom,
You were right when on that questionaire in my magazine when you put ~~yes~~ no for "takes petty things in stride". It still amazes me that you knew. I have had fun in Schwada's class this year. Now you get mad at me for cheating yet I won't let you cheat off of me. Next year you will be a senior, big bad senior, & a shrimpy junior. If you are taking Algebra then perhaps we can have another math class together. Are you good in Algebra? Oh well, have fun at the Kool's concert, save your money tho, or you will have so many albumns there won't be time to play them all. I will remember you all through the summer and hope to see you next year.
Good-luck always Tom,
Heather
P.S. We can have a party in which we break all the Tommy Roe ~~son~~ records including the "Heather Honey" one. O.Kay?

Hey Tom,

I'm really glad we mit each other this year. Even though it had to be in Schwada's geometry class It was a blast. I'll never forget her tri-angles and her wonderful knowledge of math. (Joke!) Anyway, I'm really going to worry about you next year. Simply because you'll just starve without my cookies! Huh! Do me a favor and be in my 2nt. Algebra class. I know we'll have fun. And if you ever get to know Robert Yardley better, well, MORE POWER TO YA! Uh, what else can I say but that you're a nice guy, even though you did cheat and <u>try</u> to get answers from me on tests. Remember what we called Schwada? PIGGY! How funny. If it were at all possible, I would wear my BUG SQUASHERS EVERY day, just for you, and bring you a life supply of those rectangular brown cookies with the creme on the inside. Seeing as how you're looking over my arm and are itching to read this short story, I'll quite writing.
